

Gender and Social Inclusion Specialist Positions

Clear Outcomes is a Boise based, small, woman-owned, international development management consulting firm. We provide a full range of management consulting, technical assistance, and training services to strengthen international assistance programs, organization, and policies. We provide services globally in the areas of monitoring and evaluation, strategic planning, project and program design, organizational capacity building, and data analytics. Clear Outcomes' services specialize in the areas of health, governance, and livelihoods. Clear Outcomes current clients include the US Government, Canadian government, universities, private sector, multilateral development banks, foundations, and non-profits.

We are currently recruiting Gender and Social Inclusion specialists to provide short term technical assistance for an anticipated upcoming multi-year contract.

Gender and Social Inclusion Specialist

Clear Outcomes seeks senior- and mid-level Gender and Social Inclusion (GSI) Specialists for short-term consulting assignments that may include gender and social inclusion analysis of particular countries or sectors, GSI analysis to inform design of international development projects, technical assistance for monitoring and evaluation through a GSI lens, and supporting learning, communications, and capacity building for GSI. Tasks may include desk review, travel to and conducting interviews in the field, analysis and quantitative and qualitative data, presentation of results, workshops, and report writing. Potential sectors include energy, water, sanitation, transportation, agriculture, land, education, health, nutrition, information and communication technologies, or finance.

We are seeking specialists with experience working in any of the following countries: Benin, Cote D'Ivoire, El Salvador, Ethiopia, the Gambia, Ghana, Guatemala, Kosovo, Liberia, Mongolia, Morocco, Nepal, Niger, Senegal, Sierra Leone, Solomon Islands, Sri Lanka, or Togo.

Qualifications

- Master's degree or higher in a relevant field, such as Economics, Evaluation Sciences, Women's Studies, Public Administration, Political Science, or other discipline
- 5 years' experience in gender or social inclusion in international development
- Strong qualitative and quantitative research and analytic skills
- Demonstrated experience working on or leading monitoring, evaluation, assessment, or learning teams
- Excellent verbal communication and writing skills
- Robust organizational skills
- Strong attention to detail
- Experience in any of the countries of interest, listed above, preferred
