

Nepal and Gender and Social Inclusion Expert

Clear Outcomes is a Boise-based, small, woman-owned, international development management consulting firm. We provide a full range of management consulting, technical assistance, and training services to strengthen international assistance programs, organization, and policies. We provide services globally in the areas of monitoring and evaluation, strategic planning, project and program design, organizational capacity building, and data analytics. Clear Outcomes' services specialize in the areas of health, governance, and livelihoods. Clear Outcomes current clients include the US Government, Canadian government, universities, private sector, multilateral development banks, foundations, and non-profits.

We are currently recruiting a Gender and Social Inclusion Expert based in Nepal to provide short term technical assistance for an anticipated upcoming contract. The anticipated contract is to conduct vulnerability analysis of communities in Nepal in the context of COVID-19 and make recommendations to USAID on target communities with which to work.

Scope of Work

Clear Outcomes seeks a senior- or mid-level Gender and Social Inclusion (GESI) Expert for a short-term contract. The contract is anticipated to last six months and consist of part-time work during that period. The GESI Expert will contribute to the assessment design in collaboration with the Principle Investigator, conduct relevant literature review, conduct key informant interviews, offer technical advice on applying a gender and social inclusion lens to quantitative analysts, and contribute to analysis and report writing.

All work will be conducted remotely.

Qualifications

- Master's degree or higher in a relevant field, such as Economics, Evaluation Sciences, Gender Studies, Public Administration, Political Science, or other discipline
- 6 or more years' experience in research and gender and social inclusion issues in Nepal, with a strong understanding of gender and social inequities across the country
- Strong qualitative and quantitative research and analytic skills
- Demonstrated experience working on research or evaluation teams
- Excellent verbal communication and writing skills
- Robust organizational skills
- Strong attention to detail
- Fluency in English

Members of historically marginalized groups in Nepal are strongly encouraged to apply.
