

Youth and Women Entrepreneurship Expert—Georgia

Clear Outcomes is a Boise based, small, woman-owned, international development management consulting firm. We provide a full range of management consulting, technical assistance, and training services to strengthen international assistance programs, organization, and policies. We provide services globally in the areas of monitoring and evaluation, strategic planning, project and program design, organizational capacity building, and data analytics. Clear Outcomes' services specialize in the areas of health, governance, and livelihoods. Clear Outcomes current clients include the US government, Canadian government, universities, private sector, multilateral development banks, foundations, and non-profits.

We are currently recruiting a local Georgian Youth and Women Entrepreneurship Evaluation Expert to work on an anticipated contract to evaluate a USAID-funded youth entrepreneurship project.

Responsibilities

Clear Outcomes seeks a Youth and Women Entrepreneurship Expert to participate as a team member on an anticipated performance evaluation of a project which works with youth and women to build their entrepreneurship skills. The consultant will work with the Team Leader and other team members to design the evaluation tools and methods, conduct data collection, analyze data using qualitative software tools, and contribute to the draft and final reports.

Specific responsibilities include:

- Conduct desk review of project documents
- Contribute to developing key informant interview guides, focus group discussion guides, survey, or other instruments
- Conduct and take notes for key informant interviews and focus group discussions in English and Georgian
- Contribute to data analysis under the guidance of the Team Leader
- Contribute to report writing and editing under the guidance of the Team Leader
- Contribute to developing recommendations for future USAID/Georgia civil society programming

This is a part-time consultancy, with the consultant expected to be available full-time during fieldwork. Fieldwork is anticipated to be in early 2021 and the expected period of performance is estimated to be 4-6 months.

Qualifications

- Master's degree or higher in a relevant field, such as Political Science, Gender Studies, Evaluation Sciences, Public Administration, Business Administration, or other discipline
- 5 years of experience in M&E of international development projects OR in livelihoods, youth, or gender projects

- Strong qualitative and quantitative research and analytic skills
- Demonstrated experience working on or leading evaluation teams
- Excellent verbal communication and writing skills
- Robust organizational skills
- Strong attention to detail
- Fluency in English and Georgian
